Known For the Best Service in the Industry

GREAT USER EXPERIENCE – WE AT NOVAIR ARE COMMITTED TO MAKING SURE WE ARE ALWAYS THERE FOR YOU, WHENEVER AND WHEREVER YOU NEED OUR NOVAIR SKILLED TECHNICIANS. WITH NOVAIR, YOU ENSURE YOUR ORGANIZATION’S EQUIPMENT IS ALWAYS RUNNING SMOOTHLY WITH MINIMAL DOWNTIME.

LOCAL SERVICE TECHS – NOVAIR’S OWN NATIONWIDE TEAM OF FACTORY-TRAINED FIELD SERVICE ENGINEER SPECIALISTS ARE THE BEST IN THE BUSINESS AND COME STRAIGHT FROM THE SOURCE.

PREVENTATIVE MAINTENANCE OPTIONS – NOVAIR CARE PREVENTATIVE MAINTENANCE SERVICE PLANS INCLUDE 3 DIFFERENT LEVELS OF CARE TO CHOOSE FROM, WITH A ‘CREATE YOUR OWN’ PLAN OPTION AS WELL. RECEIVE REGULAR MAINTENANCE, IN THE MANNER YOU DESIRE, TO KEEP YOUR EQUIPMENT RUNNING SMOOTHLY FOR YEARS AND YEARS TO COME.

Generating your own oxygen makes sense for so many reasons...

NOVAIR's Mobile Oxygen Generating System (MOGS_{CFP}) Line and MOGS_{CFP} in Trailers allow you to generate O₂ whenever, wherever you need it

Why choose NOVAIR - USA?

Why Produce Your Own Oxygen In-house?

- **SIGNIFICANT COST SAVINGS AND ROI** - After initial payment for your NOVAIR Oxygen Generator, your only costs are the regular price of electricity and minimal periodic preventative maintenance. Make oxygen for pennies a day and get a large return on investment (ROI) in potentially just a few months.
- **AUTONOMY FROM DELIVERY** - Finally stop dealing with unreliable cylinder delivery companies. Always have 93%+/-3% concentration oxygen on-hand, right in your facility or in a trailer, for all first responders, paramedics, firefighters, and those saving lives. Never again be blocked from O₂ due to storms, rising costs, or shifty dealers. Take full control of your own oxygen supply.
- **RELIABILITY THAT FEELS GOOD** - Feel confident knowing that by purchasing a reliable US-made NOVAIR oxygen generator, you are getting the highest quality and most durable in-house generator with the latest in PSA technology.
- **SAFETY AND SATISFACTION** - End safety concerns and prevent worker's compensation lawsuits by stopping the transfer of cylinders. Many NOVAIR USA systems come with safe auto-shutdown and constant remote monitoring to notify with alarms at any hint of a problem. Should a shutdown occur, our expert technicians can connect with you in a flash to check over everything and get you pumping oxygen again in a hurry.
- **ECO-FRIENDLY PRODUCTION** - NOVAIR USA energy efficient generators use proven green technology that separates and pressurizes ambient air to make the high purity oxygen that first-responders need. By reducing the number of delivery trucks on the road, your organization's carbon footprint drops significantly. You can now save lives, and save money, while saving the planet.

MOGS_{CFP} FEATURES:

- POWERFUL OXYGEN PRODUCTION TO FILL UP TO 10 H/K-SIZED CYLINDERS OR UP TO 160 D-SIZED CYLINDERS PER DAY WITH 93% +/- 3% CONCENTRATION OXYGEN
- EASY-TO-USE TOUCHSCREEN INTERFACE PANEL WITH CONSTANT MONITORING AND ALARMS
- PLC CONTROLLER WITH NEMA 4 ELECTRICAL ENCLOSURES AND UL[®] LISTED ELECTRICAL PANEL OPTIONS
- EMERGENCY STOP BUTTONS ON ALL UNITS
- STURDY CASTERS FOR MOBILITY (OPTIONAL ON SOME MODELS)
- MULTI-VALVE HP OXYGEN MANIFOLD CYLINDER FILLING OPTION
- ON LARGER MOGS_{CFP} MODELS:
 - Two H/K-SIZED OXYGEN CYLINDERS STANDARD ON INTEGRAL RACK IN BACK OF UNIT
 - TWO-POSITION BLAST CONTAINMENT CABINET SAFE FILLING STATION THAT ACCOMMODATES OXYGEN CYLINDERS UP TO 31" OVERALL LENGTH
- ON MOGS_{CFP} MODELS IN TRAILERS:
 - STURDY TRAILERS DELIVERED TO YOUR DOOR THAT CAN OPERATE RIGHT AT THE HEART OF ANY DISASTER AREA
 - STANDARD DURABLE ELECTRICITY GENERATOR ON BOARD
 - AIR-CON, HEATING, AND MORE OPTIONS TO FIT YOUR ENVIRONMENTAL NEEDS

MOGS_{CFP} BENEFITS:

- **TREMENDOUS COST REDUCTION** - Will reduce oxygen supply costs by 80% or more in most cases! Less than 5 kWh of energy is required to power our most powerful MOGS_{CFP} models. No more cylinder delivery payments.
- **DESIGN SUPERIORITY AND FLEXIBILITY TO FIT YOUR NEEDS** - The exquisitely designed MOGS_{CFP} line comes from 45 years of NOVAIR engineering expertise in working closely with our customers. We know what will work for you and will make our systems fit your needs.
- **LOCALLY MADE, GLOBAL STANDARD** - Our energy efficient, durable systems are made right in our Buffalo, New York factory and are unmatched globally for quality. NOVAIR USA equipment meets all regular manufacturing standards including ASME, ANSI, MEMA, and CE. The MOGS_{CFP} can also be configured to meet CRN, CSA and other standards upon request.
- **ASSURED OXYGEN AVAILABILITY** - With MOGS_{CFP}, always have oxygen in any emergency with continuous flow of the highest-quality, maximum oxygen supply your facility needs, but at a fraction of the cost of outside supply. The MOGS_{CFP} constantly operates at peak performance with little downtime or maintenance needed, so you can focus on getting oxygen to those that matter most, the people you serve.

- **QUALITY YOU CAN TRUST:** CHOOSE NOVAIR US FOR TOP-OF-THE-LINE US-MADE OXYGEN SYSTEMS THAT PRIORITIZE SAFETY, EFFICIENCY, AND RELIABILITY. CONTACT US TODAY TO DISCUSS HOW OUR CUTTING-EDGE TECHNOLOGIES CAN BENEFIT YOUR EMS, FIREHALL, DISASTER PREPAREDNESS, OR HEALTHCARE FACILITY.
- **CUSTOM SOLUTIONS:** NOVAIR USA CAN TAILOR OUR SYSTEMS RIGHT IN THE FACTORY TO MEET YOUR SPECIFIC REQUIREMENTS, ENSURING OPTIMAL PERFORMANCE AND EFFICIENCY.
- **EXCEPTIONAL SUPPORT:** WE OFFER COMPREHENSIVE CUSTOMER SUPPORT, INCLUDING INSTALLATION, TECHNICAL ASSISTANCE, AND NOVAIR CARE PREVENTIVE MAINTENANCE TO KEEP YOUR FACILITY RUNNING SMOOTHLY.
- **THOUSANDS OF REFERENCES WORLDWIDE:** OUR GENERATORS ARE INSTALLED THROUGHOUT THE GLOBE IN SOME OF THE MOST REMOTE AREAS OF THE PLANET. OUR HAPPY CUSTOMERS ARE JUST WAITING TO TELL YOU ABOUT THEIR GREAT EXPERIENCE WITH NOVAIR PRODUCTS. IF YOU ARE INTERESTED, WE WILL PUT YOU IN TOUCH.
